

OYUN NASIL OYNANIR?

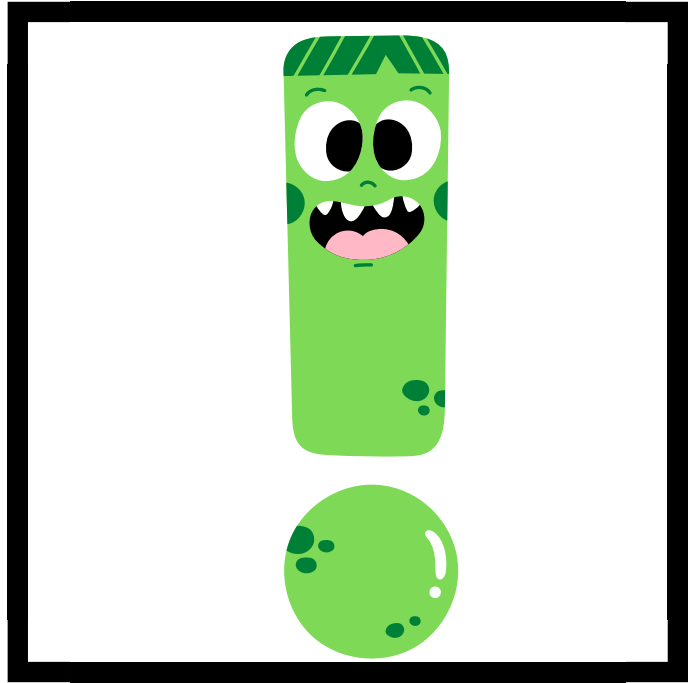

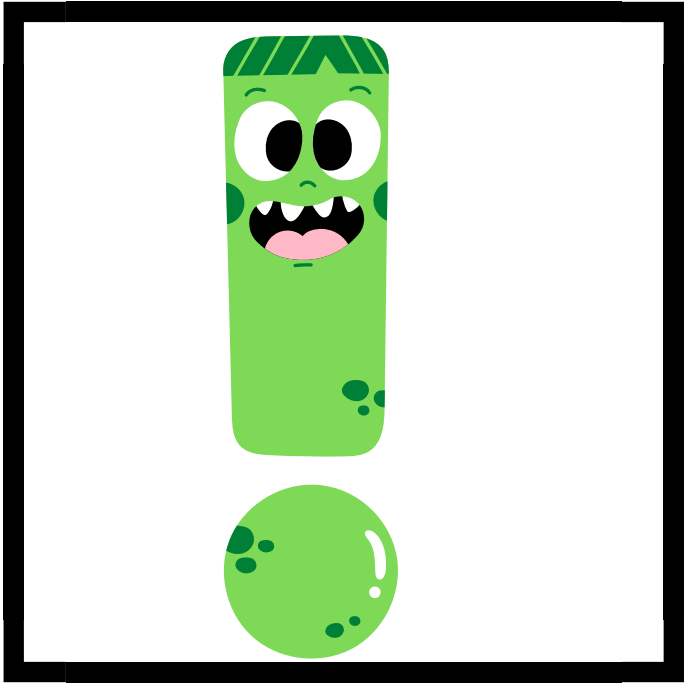

Noktalama işaretleri bulunan görseller kesilerek bir çubuğa yapıştırılır. Sınıfta iki sıra karşılıklı olacak şekilde yerleştirilir ve üzerine hazırlanan noktalama işaretleri el pankartları konulur. Yarışacak iki öğrenci karşılıklı olarak sıraların arkalarına geçerler. Yarışma sunumu akıllı tahtadan açılır. Cümledeki boşluğa uygun noktalama işareti el pankartını ilk ve doğru kaldıran turu geçer, diğeri elenir. Sınıfta son yarışmacı kalana kadar yarışmaya devam edilir.
